

What America Runs On

MBI Fuels became an established leader in the fuel brokering/ fuel supply business by combining our large national supply strength with local proactive service. We provide discount fuel to commercial and government customers of all sizes. MBI Fuels strives to be the #1 minority owned Fuel Company in MD.

We supply all grades of: **Diesel • Gasoline • Heating Oil • Jet Fuel • Kerosene • R|Diesel**

Building Client Relationships - We have built our business upon our client relationships. Our clients appreciate the fact that we provide the highest quality services available in the fuel industry. As we serve their fuel supply and management needs, they know that in MBI Fuels, they have a provider they can trust.

Advancing Fuel Procurement - We create a profile of each of our client's sites based on fuel usage patterns and other strategic objectives. Using technology and data aggregation, we purchase fuel on behalf of our clients.
